

# UQ 4<sup>th</sup> Year Student Physiotherapy Workshop

Day 1: Review of clinical reasoning, breakdown of treatment session. We get hands-on to allow all students to gain confidence from subjective through to treatment.

Day 2: From injury to return to sport. How to help make the right plan for patients, prescribe the right exercises and give the right advice.

Day 3: Cervical masterclass – How to effectively assess and treat all Cx spine presentations with accuracy and no guesswork.

Day 4: Hip masterclass – How to simplify treatment of the hip. Get results on their first treatment session and be able to confidently guide a patient back to activity and reach their goals.

How to apply: Visit our website for more information on the workshop and complete the application form (<https://www.aeon-health.com.au/uq-4th-year-student-ws-form>).
